- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award management (SAM) in order to apply for funding under the Continuum of Care (CoC) Program Competition. For more information see the FY2014 Funding Notice and the FY 2013 - FY2014 CoC NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2014 Funding Notice, the FY 2013 – FY 2014 CoC Program NOFA and the FY 2013 General Section NOFA, including the General Section Technical Correction, and all requirements and criteria met.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with the instructions found on each individual screen
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2013 Project Application will be imported into the FY 2014 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2013 post award process or a grant agreement amendment.
- Before completing the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.

If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to the CoC Program interim rule (24 CFR part 578) and application requirements set forth in both the FY 2014 Funding Notice and the FY 2013 – FY 2014 CoC Program NOFA.

ALL PROJECTS

Provide a description that addresses the entire scope of the proposed project: This field is required. The project description should address the entire scope of the project, including a clear picture of the target population(s) to be served, the plan for addressing the identified needs/issues of the CoC target population(s), projected outcome(s), and coordination with other source(s)/partner(s). If a coordinated assessment system does not exist in the CoC or if the project does not participate, select “No.”

Does your project have a specific population focus: This is a required field. Select “Yes” if your project has special capacity in its facilities, program designs, tools, outreach or methodologies for a specific subpopulation or subpopulations. This does not necessarily mean that the project exclusively serves that subpopulation(s), but rather that they are uniquely equipped to serve them. If “Yes” is selected, select the relevant checkbox(es) to identify the project’s population focus.

PH PROJECTS ONLY

Does the project follow a “Housing First” model: This is a required field for PH projects only. Select “Yes” if the project currently follows a housing first approach that allows the homeless to enter without barriers such as income, sobriety, etc. Select “No” if the project does not follow a housing first approach.

Does the PH project provide PSH or RRH: This is a required field. Select PSH if the project will operate according to a permanent supportive housing model as defined by 24 CFR 578. Select RRH if the project will operate according to a rapid rehousing model as defined by 24 CFR 578.

There is no time limit for PSH projects. Therefore, when PSH is selected, “Unlimited Assistance” will automatically populate and will be read only.

TH AND SSO PROJECTS ONLY:

Do you plan on serving homeless households with children and youth defined as homeless under other federal statutes (Paragraph 3 of the definition of homeless found at 24 CFR 578.3)? Please note that no project is permitted to serve this population unless the CoC has requested and is approved to do so: This is a required field. Projects are only permitted to serve households with children and youth defined as homeless under other federal statutes (Paragraph 3 of the definition of homeless found at 24 CFR 578.3), if the CoC has requested and is approved to use funds for such a purpose. CoCs that wish to request that projects within the CoC be permitted to use funds to serve this population had to identify the specific project(s) that would use funding for this purpose (up to 10 percent of CoC total award) by submitting an attachment with the CoC Application. HUD will only consider TH and SSO projects for approval under the above conditions.

TH PROJECTS ONLY:

Indicate the maximum length of assistance: This is a required field. The maximum length of assistance allowed for TH projects is 24 months.

PH AND TH PROJECTS ONLY:

Does the project request costs under the rental assistance budget line item?: This is a required field. If requesting rental assistance, select Yes from the dropdown menu. If not requesting rental assistance in this project application, select No.

Is this a CoC Program leasing or former SHP project that had been approved by HUD to revise the renewal project budget from leasing to rental assistance? (This change must have been listed on the final HUD-approved FY 2014 GIW. See 24 CFR 578.49(b)(8)): This is a required field. “Yes” should only be selected HUD approved a change from leasing to rental assistance during the FY 2014 GIW process.

1. Provide a description that addresses the entire scope of the proposed project.
This renewal project will provide mental health services and training in independent living skills to 6 homeless residents of Harvest House, a permanent housing development for persons with chronic mental illness.

Harvest House is a single family home located at 14029 Harvest Avenue, Norwalk, CA 90650. Each resident will have access to a shared living room/family room, kitchen, front and back yards and will pay no more than 30% of their adjusted gross income for rent.

Harvest House provides permanent housing to 8 homeless individuals suffering from chronic mental illness, 6 of whom will be served under this renewal grant. Funding to provide supportive services to such persons is sought under this grant request based on the dire need for the same. Such supportive services are critical to enabling the residents to make a successful transition from homelessness to housing and to becoming integrated into the community. Many of the residents have limited experience living in a normalized housing setting, and will need assistance in developing and enhancing their skills in home maintenance, cooking, money management, communication skills, and other skills in order to maintain their permanent housing status. In addition, they will need transportation to medical appointments that are often located in diverse areas that may not be easily accessed by public transportation.

Because case management workloads under existing programs make it impossible for case managers of other programs in the community to maintain frequent contact with many of their clients, Homes for Life Foundation is requesting assistance to help assure that crisis intervention will be provided in a timely manner if and when residents begin to de-compensate or exhibit behaviors which would put them at risk of once again becoming homeless.

Program staff work closely with the Department of Mental Health, Psychiatric Mobile Response Teams, Los Angeles County Office of the Public Guardian, Rio Hondo Community Mental Health Center and the Norwalk Social Security Office to ensure that residents’ goals are met. Expected outcomes for this project are that residents obtain and/or maintain mainstream benefits and income and that residents be able to successfully maintain permanent housing at Harvest House and/or at alternate permanent housing after discharge. Program funding will be used to cover parts of the costs associated with life skills, mental health and transportation services and parts of the operations costs associated with maintenance and repair, utilities, supplies, insurance, furnishings and residential staff.

2. Does your project participate in a CoC Coordinated Assessment System?  Yes

4B. Housing Type and Location Detail

**Instructions:**

**ALL PROJECTS EXCEPT HMIS**

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail form. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail form.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

How many of the total beds entered in "b. Beds" are dedicated to the chronically homeless: This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2014 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

Address: This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

Select the geographic area(s) associated with the address: This is a required field. Select the geographic location(s) of the selected Housing Type.

Of the clients served from 1/1/2013 – 12/31/2013, indicate the number reported in the HMIS: Enter a number that is smaller than or equal to the answer in the above question. Only positive integers will be accepted.

Indicate in the grid below the percentage of HMIS client records with 'null or missing values' or 'unknown values.' Please add a value for each cell below. If there are no values to report for a cell, please enter "0." At least one value must be entered into the grid. Enter a number in the applicable fields that represents the percentage of each data element that have null or missing values, and a number that represents the percentage of each data element were reported as “Don’t Know or Refused.”

**5A. Project Participants - Households**

**Instructions:**

**ALL PROJECTS EXCEPT HMIS**

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with at least One Adult and One Child: Enter the total number of households with at least one adult and one child. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

Adult Households without Children: Enter the total number of adult households without children. To fall under this column and household type, there must be at least one person at or above the age of 18, and no persons under the age of 18.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and one child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at Least One Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

5C. Outreach for Participants

Instructions:

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Homeless persons as defined under other federal statutes (TH and SSO only and HUD approval REQUIRED)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements.

AND/OR

If "Persons at imminent risk..." is greater than 0 percent, identify the project as either an SSO or TH project and verify that persons served will be within 14 days of losing their housing and becoming literally homeless: This field is required if the total percentage calculated above is less than 100 percent or if a number greater than 0 was entered in the “Persons at imminent risk of losing their nighttime residence” field. If both apply, the project applicant must provide a response to both questions in this field.

If the total percentage calculated above is less than 100 percent, explain where the unaccounted for participants will come from. All participants served in CoC Program funded projects must meet eligibility criteria set forth in the CoC Program interim rule and the FY 2013 CoC Program NOFA.

If the field for “Persons at imminent risk of losing their nighttime residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing” contains a percentage greater than 0, the project applicant must indicate how these persons meet the eligibility criteria for the project component being requested (may only be TH or SSO).

1. Enter the percentage of project participants that will be coming from each of the following locations.

6A. Standard Performance Measures

Instructions:

ALL PROJECTS EXCEPT SSO and HMIS

Housing Measures: This is a required field. Persons remaining in permanent housing as of the end of the operating year or exiting to permanent housing (subsidized or unsubsidized) during the operating year: If permanent housing, count each participant who is still living in your units supported by your facility in addition to clients who have exited your units and moved into another permanent housing situation. If transitional housing or a safe haven, only count persons who have exited your units/project and moved into a permanent housing situation.

Income Measure: This is a required field where at least one option must be chosen by the project applicant.

a. Persons age 18 and older who maintained or increased their total income (from all sources) as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Total income can include all sources, public and private.

b. Persons age 18 through 61 who maintained or increased their earned income as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Earned income should only include income from wages and private investments, and not public benefits.

For each measure, enter a number in the blank cells according to the following instructions:

Universe (#): Enter the total number of persons about whom the measure is expected to be reported. The Universe is the total pool of persons that could be affected.

Target (#): Enter the number of applicable clients from the universe who are expected to achieve the measure within the operating year. The Target is the total number of persons from the pool that are affected.

Target (%): This field will be calculated automatically when all required fields are entered and saved. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be "80%.

Additional Resources can be found at the HUD Resource Exchange:

7A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant? This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project? This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation? This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult OMB circulars A-122 and A-87 and contact your local HUD office.

Select a grant term: This field is pre-populated with a one-year grant term.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected at the beginning of this project application. The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2014 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2014 Funding Notice and the FY 2013 – FY 2014 CoC Program NOFA for additional guidance.

Additional Resources can be found at the HUD Resource Exchange:

7E. Supportive Services Budget

Instructions:
Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

Eligible Costs: The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

Quantity AND Description: This is a required field. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1 FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. For each grant year, enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2014 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

A quantity AND description must be entered for each requested cost. Any cost without a quantity and a description will be removed from the budget.

7F. Operating Budget

Instructions:

Enter the quantity and total budget request for each operating cost. The request entered should be equivalent to the cost of one year of the relevant operations activity.

Eligible Costs: The system populates a list of eligible operating costs for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.55.

Quantity AND Detail: This is a required field. Enter the quantity in detail (e.g. .75 FTE hours and benefits for staff, utility types, monthly allowance for supplies) for each operating cost for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and restricts understanding of what is being requested. Failure to enter adequate “Quantity AND Detail” may result in conditions being placed on the award and a delay of grant funding.

Annual Assistance Requested: This is a required field. Enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to operating the housing or supportive services facility. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2014 GIW

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based on the total amount requested for each eligible cost multiplied by the grant term.

All total fields will be calculated once the required field has been completed and saved.

Additional Resources can be found at the HUD Resource Exchange:
https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/

A quantity AND description must be entered for each requested cost. Any cost without a quantity and a description will be removed from the budget.

Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Leverage funds can be used for any program related costs and there is no minimum requirement. Please review 24 CFR Part 578, the FY 2014 Funding Notice and the FY 2013 CoC – FY 2014 Program NOFA for more detailed information concerning Match and Leverage.

Will this commitment be used towards Match or Leverage? Select Match or Leverage to categorize each commitment being entered.

Type of Commitment: Select Cash ($) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: Be as specific as possible (e.g. HHS PATH Grant, Community Service Block Grant, Hilton Foundation Grant to End Chronic Homelessness) and include the office or grant program as applicable. Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution

The values entered on each detailed Match/Leverage screen with populate the Screen "7I. Summary Budget". The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

**7I. Summary Budget**

**Instructions:**

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “8. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2014 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” Additionally, HUD will not fund greater than 7% of the request listed in the field “Sub-Total Eligible Costs Requested,” if the CoC received bonus points in the FY 2014 CoC Program competition for submitting all CoC projects at or below 7%. If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this is the total amount of funding the project applicant will request in the FY 2014 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “7I. Sources of Match/Leverage” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “7I. Sources of Match/Leverage” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “7I. Sources of Match/Leverage” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the “Save” button.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

You are required to file Form 990 only if your gross receipts each year are normally more than $25,000. For guidance in determining whether your gross receipts are "normally" more than $25,000, see the instructions for Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of $10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed $5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Letter 1050(DO/CG)
HOMES FOR LIFE FOUNDATION

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

Michael J. Quinn
District Director
Under section 6501(c)(4) of the Internal Revenue Code, and as part of a request filed with Form 1023 that the organization named below be treated as a publicly supported organization under section 170(b)(1)(A)(vi) or section 509(a)(2) during an advance ruling period,

However, if a notice of deficiency in tax for any of these years is sent to the organization before the period expires, then the time for making an assessment will be further extended by the number of days the assessment is prohibited, plus 60 days.

Enclosure(s):
Copy of this letter
Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably be expected to be a publicly supported organization described in section 509(a)(1).

Accordingly, you will be treated as a publicly supported organization, and not as a private foundation, during an advance ruling period. This advance ruling period begins on the date of your inception and ends on the date shown above.

Within 90 days after the end of your advance ruling period, you must submit to us information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, you will be classified as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date of your inception for purposes of sections 507(d) and 4940.

Grantees and contributors may rely on the determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within the 90 days, grantees and contributors may continue to rely on the advance determination until the Service makes a final determination of your foundation status.

If notice that you will no longer be treated as a publicly supported organization is published in the Internal Revenue Bulletin, grantees and contributors may not rely on this determination after the date of such publication. In addition, if you lose your status as a publicly supported organization and a grantor or contributor was responsible for, or was aware of, the act or failure to act that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that the Service had given notice that you would be removed (over)

P.O. Box 2350, Los Angeles, CA 90053
from classification as a publicly supported organization, then that person may not rely on
this determination as of the date such knowledge was acquired.

If your sources of support, or your purposes, character, or method of operation
change, please let us know so we can consider the effect of the change on your exempt
status and foundation status. In the case of an amendment to your organizational document
or bylaws, please send us a copy of the amended document or bylaws. Also, you should
inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance
Contributions Act (social security taxes) on remuneration of $100 or more you pay to each
of your employees during a calendar year. You are not liable for the tax imposed under
the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes
under Chapter 42 of the Code. However, you are not automatically exempt from other
Federal excise taxes. If you have any questions about excise, employment, or other
Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the
Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are
deductible for Federal estate and gift tax purposes if they meet the applicable provisions
of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990, Return of Organization Exempt from Income Tax,
only if your gross receipts each year are normally more than $25,000. If a return is
required, it must be filed by the 15th day of the fifth month after the end of your annual
accounting period. The law imposes a penalty of $10 a day, up to a maximum of $5,000,
when a return is filed late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the
tax on unrelated business income under section 511 of the Code. If you are subject to
this tax, you must file an income tax return on Form 990-T, Exempt Organization Business
Income Tax Return. In this letter, we are not determining whether any of your present or
proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an
employer identification number was not entered on your application, a number will be
assigned to you and you will be advised of it. Please use that number on all returns you
file and in all correspondence with the Internal Revenue Service.

If the heading of this letter indicates that a caveat applies, the caveat below is an
integral part of the letter.

Because this letter could help resolve any questions about your exempt status and
foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number
are shown in the heading of this letter.

Sincerely yours,
