Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found at on the OneCPD Resource Exchange at https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award management (SAM) in order to apply for funding under the Continuum of Care (CoC) Program Competition. For more information see the FY2014 Funding Notice and the FY 2013 - FY2014 CoC NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2014 Funding Notice, the FY 2013 – FY 2014 CoC Program NOFA and the FY 2013 General Section NOFA, including the General Section Technical Correction, and all requirements and criteria met.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with the instructions found on each individual screen
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2013 Project Application will be imported into the FY 2014 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2013 post award process or a grant agreement amendment.
- Before completing the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC’s HUD-approved GIW. If the ARA is reduced through the CoC’s reallocation process, the final project funding request must reflect the reduced amount listed on the CoC’s reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to the CoC Program interim rule (24 CFR part 578) and application requirements set forth in both the FY 2014 Funding Notice and the FY 2013 – FY 2014 CoC Program NOFA.

Projects are only permitted to serve households with children and youth defined as homeless under other federal statutes (Paragraph 3 of the definition of homeless found at 24 CFR 578.3), if the CoC has requested and is approved to use funds for such a purpose. CoCs that wish to request that projects within the CoC be permitted to use funds to serve this population had to identify the specific project(s) that would use funding for this purpose (up to 10 percent of CoC total award) by submitting an attachment with the CoC Application. HUD will only consider TH and SSO projects for approval under the above conditions.

1. Provide a description that addresses the entire scope of the proposed project.
Family Place, Santa Monica’s only transitional housing program for children and their parents, provides housing and supportive services to more than 40 families with minor children per year. The Family Place facility has 21 separate one bedroom units for families to live while they are in the program. On average, families reside in the program for 6-7 months. Historically, families entered the program through a referral network of over 40 agencies. However, with the implementation of a Coordinated Entry and Centralized Assessment system in 2013, the majority of families are entering the program through the Homeless Family Solutions System. Upon entry, families receive the following services.

Intensive Case Management – Case Managers (CM) work with each family to develop a customized case plan that focuses on their goals to achieve permanent housing, increase their income and access the community resources that will help them to maintain self-sufficiency including their housing. Financial Literacy – CM help families to develop a budget. Guest experts also present a six-week financial literacy series every quarter. In addition, families must set aside no less than 75% of their income into a savings, which gets them used to living on a budget and helps them develop a “rainy day” fund for unforeseeable crisis i.e. car repair. Employment Services – We hold seminars on topics ranging from resume preparation to interviewing strategies, maintain on-site computer labs for employment searches, post job listings, connect to staffing agencies, hold mock job interviews, and partner with local job training and placement agencies. Assistance with Housing Placement – Housing Specialists (HS) assist participants to locate suitable permanent housing by: 1) subscribing to Westside Rentals Group and accessing property listings; 2) networking with existing landlord partners for additional units and/or referrals; and 3) teaching families how to search and apply for housing, including conducting online searches and practicing mock landlord interviews. The HS visits potential rental units with families; assesses units for habitability, lead-based paint, and rent reasonableness; negotiates with landlords as needed; assist with completing the housing application and leasing-up process; and assist with obtaining utilities and coordinating the family’s move. Parenting Classes – Adult residents must attend parenting classes. A professional parenting instructor conducts weekly group sessions and sees parents individually as needed. Children’s Activities – Children receive counseling, weekly one-on-one tutoring through School on Wheels, a Homework Club, interdisciplinary creative activities three evenings each week. After care – We follow up with families for at least six months after placement in permanent housing to promote housing retention. This includes home visits, phone calls, linkages to services within their new community, advocacy with landlords, and more.

4B. Housing Type and Location Detail

Instructions:
ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail form. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail form.

Housing Type: This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

Indicate the maximum number of units and beds available for project participants at the selected housing site: This is a required field. Indicate the number of units and beds that will be served by this project.

How many of the total beds entered in "b. Beds" are dedicated to the chronically homeless: This is a required field. Enter the total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project’s grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as “CH Beds” on a CoC’s Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter “0.”

How many of the total beds entered in "b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs: This is a required field. Enter the number of beds that are not dedicated to the chronically homeless but that will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the project’s grant agreement for FY 2014 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter “0.”

Address: This is a required field. Enter the physical address for this proposed project. **Instructions:**

ALL PROJECTS EXCEPT HMIS

Does this project provide client level data to the HMIS at least annually: This is a required field. Select “Yes” of “No “from the drop down menu.

If “No” was selected, indicate the reason for non-participation in the HMIS by selecting one or more of the following reasons for not participating in the CoC’s HMIS: Federal law prohibits, State law prohibits, New project not yet operating, and other. If “Federal/State prohibition” cite the applicable law in the text box provided. For “Other” provide an explanation in the text box. “New project not yet operating,” is appropriate only for first time renewals that have yet to begin operations.

If “Yes” was selected:
Indicate the number of clients served from 1/1/2013 – 12/31/2013: Enter the number of participants reported in the HMIS, only positive integers will be accepted. This should be a cumulative yearly count of clients served.

Of the clients served from 1/1/2013 – 12/31/2013, indicate the number reported in the HMIS: Enter a number that is smaller than or equal to the answer in the above question. Only positive integers will be accepted.

Indicate in the grid below the percentage of HMIS client records with 'null or missing values' or 'unknown values.’ Please add a value for each cell below. If there are no values to report for a cell, please enter "0.” At least one value must be entered into the grid. Enter a number in the applicable fields that represents the percentage of each data element that have null or missing values, and a number that represents the percentage of each data element were reported as “Don't Know or Refused.”

Instructions:

ALL PROJECTS EXCEPT HMIS

In each non-shaded field list the number of households or persons served at maximum program capacity. The numbers here are intended to reflect a single point in time at maximum occupancy and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Households: Enter the number of households under at least one of the categories: Households with at least One Adult and One Child, Adult Households without Children, or Households with Only Children.

Households with Only Children: Enter the total number of households with only children. To fall under this column and household type, there may not be any persons at or above the age of 18, and only persons under the age of 18.

Characteristics: Enter the total number of homeless that fall under one of the characteristics listed.

Persons in Households with at least One Adult and One Child: Enter the number of persons in households with at least one adult and on child for each demographic row. To fall under this column and household type, there must be at least one person at or above the age of 18, and at least one person under the age of 18.

5B. Project Participants - Subpopulations

Instructions:

ALL PROJECTS EXCEPT HMIS

*This screen can only be completed once Screen “5A. Project Participants – Households” has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at Least One Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the “Total Persons” rows will calculate automatically when the “Save” button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column “Persons not represented by listed subpopulations.” Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

### 5C. Outreach for Participants

**Instructions:**

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Homeless persons as defined under other federal statutes (TH and SSO only and HUD approval REQUIRED)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the “Save” button is clicked. A warning message will appear if the total is greater than 100%.

If the total is less than 100 percent, identify how the persons meet HUD’s definition of homeless and the project type eligibility requirements.

AND/OR

If "Persons at imminent risk..." is greater than 0 percent, identify the project as either an SSO or TH project and verify that persons served will be within 14 days of losing their housing and becoming literally homeless: This field is required if the total percentage calculated above is less than 100 percent or if a number greater than 0 was entered in the “Persons at imminent risk of losing their nighttime residence” field. If both apply, the project applicant must provide a response to both questions in this field.

If the total percentage calculated above is less than 100 percent, explain where the unaccounted for participants will come from. All participants served in CoC Program funded projects must meet eligibility criteria set forth in the CoC Program interim rule and the FY 2013 CoC Program NOFA.

If the field for “Persons at imminent risk of losing their nighttime residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing” contains a percentage greater than 0, the project applicant must indicate how these persons meet the eligibility criteria for the project component being requested (may only be TH or SSO).

1. Enter the percentage of project participants that will be coming from each of the following locations.

AND/OR

If "Persons at imminent risk..." is greater than 0 percent, identify the project as either an SSO or TH project and verify that persons served will be within 14 days of losing their housing and becoming literally homeless.

The project is a TH program, persons accepted into the program who are at imminent risk of losing their night time residence meet HUD’s definition of homelessness for this category.
6A. Standard Performance Measures

Instructions:

ALL PROJECTS EXCEPT SSO and HMIS

Housing Measures: This is a required field. Persons remaining in permanent housing as of the end of the operating year or exiting to permanent housing (subsidized or unsubsidized) during the operating year: If permanent housing, count each participant who is still living in your units supported by your facility in addition to clients who have exited your units and moved into another permanent housing situation. If transitional housing or a safe haven, only count persons who have exited your units/project and moved into a permanent housing situation.

Income Measure: This is a required field where at least one option must be chosen by the project applicant.

a. Persons age 18 and older who maintained or increased their total income (from all sources) as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Total income can include all sources, public and private.

b. Persons age 18 through 61 who maintained or increased their earned income as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Earned income should only include income from wages and private investments, and not public benefits.

For each measure, enter a number in the blank cells according to the following instructions:

Universe (#): Enter the total number of persons about whom the measure is expected to be reported. The Universe is the total pool of persons that could be affected.

Target (#): Enter the number of applicable clients from the universe who are expected to achieve the measure within the operating year. The Target is the total number of persons from the pool that are affected.

Target (%): This field will be calculated automatically when all required fields are entered and saved. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be “80%.”

Instructions:
For each additional measure, fill in the blank cells according to the following instructions:

Performance Measure: Provide a name for the additional performance measure. This name will populate the list on the parent additional performance measures form.

Universe (#): Enter the total number of persons/units/items about whom/which the measure is expected to be reported. The Universe is the total pool of persons/units/items that could be affected.

Target (#): Enter the number of applicable persons/units/items from the universe who/that are expected to achieve the measure within the operating year. The Target is the total number of persons/units/items from the pool that are affected.

Target (%): This field will be calculated automatically when all required fields are entered and saved. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be “80%.”

Data Source (e.g., data recorded in HMIS) and method of data collection (e.g., data collected by the intake worker at entry and case manager at exit) proposed to measure results: (required) Use the text box provided to provide as much detail concerning the data systems and methods as possible.

Specific data elements and formula proposed for calculating results: (required) Use the text field provided and be specific.

Rationale for why the proposed measure is an appropriate indicator of performance for this program: (required) Use the text field provided to describe the appropriateness of the measure given the nature of the program.

Additional Resources can be found at the HUD Resource Exchange:

<td>57%</td>
</tr>
</tbody>
</table>

2. Data Source (e.g., data recorded in HMIS) and method of data collection (e.g., data collected by the intake worker at entry and case manager at exit) proposed to measure results

Data is recorded in HMIS by the case manager
3. Specific data elements and formula proposed for calculating results

Data elements - Non-cash benefits received i.e. CalFresh, TANF child care, TANF transportation, Medicaid etc.
Formula - Number of adults who receive non-cash benefits divided by the number of adults who may qualify of non-cash benefits

4. Rationale for why the proposed measure is an appropriate indicator of performance for this program

This measure is an appropriate indicator of program performance because besides income levels and poor housing and credit histories, issues relating to childcare, transportation and healthcare present the most significant barriers for homeless families in obtaining and retaining permanent housing. Therefore, addressing these barriers enables families to not only move into permanent housing but also maintain housing.
7A. Funding Request

Instructions:

ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select “Yes” or “No” to indicate whether or not one or more of the project properties are subject to an active restrictive covenant.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select “Yes” or “No” to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC’s Reallocation.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select ‘Yes’ or ‘No’ to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult OMB circulars A-122 and A-87 and contact your local HUD office.

Select a grant term: This field is pre-populated with a one-year grant term.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected at the beginning of this project application. The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC’s final HUD-approved FY 2014 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen “3A. Project Detail” to review the “Component Type” and/or “3B. Project Description” to review the type of project selected. See the FY 2014 Funding Notice and the FY 2013 – FY 2014 CoC Program NOFA for additional guidance.

Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating “1FTE” is NOT providing “Quantity AND Detail” and limits HUD’s understanding of what is being requested. Failure to enter adequate ‘Quantity AND Detail’ may result in conditions being placed on an award and a delay of grant funding.

Annual Assistance Requested: This is a required field. For each grant year, enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC’s HUD-approved FY 2014 GIW.

Total Annual Assistance Requested: This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

Grant Term: This field is populated with the value “1 Year” and will be read only.

Total Request for Grant Term: This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

Additional Resources can be found at the HUD Resource Exchange:

A quantity AND description must be entered for each requested cost. Any cost without a quantity and a description will be removed from the budget.

7I. Summary Budget

Instructions:

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field “8. Admin (Up to 10%).”

Admin (Up to 10%): Enter the amount of requested administration funds. The request should match the amount identified on the CoC’s HUD-approved FY 2014 GIW. HUD will not fund greater than 10% of the request listed in the field “Sub-Total Eligible Costs Request.” Additionally, HUD will not fund greater than 7% of the request listed in the field “Sub-Total Eligible Costs Requested,” if the CoC received bonus points in the FY 2014 CoC Program competition for submitting all CoC projects at or below 7%. If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

Total Assistance plus Admin Requested: This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this the total amount of funding the project applicant will request in the FY 2014 CoC Program Competition.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen “7I. Sources of Match/Leverage” to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen “7I. Sources of Match/Leverage” to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field “Total Eligible Costs Request” minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen “7I. Sources of Match/Leverage” to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the “Save” button.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

[Signature]

Richard R. Orosco
District Director

Letter 1050 (DO/CG)
Dear Taxpayer:

This is in response to your Dec. 14, 2011, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in April 1995.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
