**1. Provide a description that addresses the entire scope of the proposed project.**

The WLCAC South Central Access Center PSH Program has committed fully to house the most vulnerable homeless families and individuals from the streets of Watts and surrounding neighborhoods. WLCAC partners with the HFSS system through the Weingart FSC, to identify families and with the SPA 6 CES Program to identify chronically homeless individuals through outreach. Many clients have years of homelessness and had little or no experience in how to identify, secure, or maintain their housing. WLCAC uses the Housing First Model and provides long-term wrap around supportive services them with housing search and retention and related supportive services. These services are imperative, as they allow clients to learn how to maintain their household, connect to mainstream benefits and services, enhance their quality of life, and integrate into the community.

These households are provided with a wide range of wrap around social services to ensure long-term housing stability. Services provided by WLCAC through home visits, phone calls, and office visits include but are not limited to: Outreach and Engagement; Housing Documentation and Application Readiness; Housing Navigation, Search and Counseling; Landlord Outreach; Move-In Assistance; Intensive Case Management; In-Home and Group Life Skills development; Employment and Educational Assistance; Counseling; Landlord negotiation and advocacy; Conflict Resolution assistance; Transportation; Benefits Advocacy and Assistance; Budgeting and Money Management; Child care and Parenting classes for families; Health Services - through St. Johns; Food; Linkage to any other services including legal, mental health, substance abuse.

Most clients are identified through street outreach and receive a standardized assessment, and are then put into the Coordinated Entry System or Family Solutions Center system, assisted with obtaining all necessary documentation (ID, Birth Certificate, etc) and then engaged into as many services as possible until a housing opportunity is available. Once a permanent housing option is available and identified as appropriate through the CES or FSC system, the client is assisted in every way needed to obtain the housing, including application completion, assistance with HACLA and/or interview appointments, housing search, appointments with landlords, securing security deposit, utility deposit payment, and move in assistance. Each household is assigned a case manager to provide the services listed above. In order to ensure housing stability, staff have contact with new tenants & tenants with a higher level of need, at least weekly, moving to bi-weekly, and for some, after several months of proven stability, monthly.

## 4B. Housing Type and Location Detail

### Instructions:

ALL PROJECTS EXCEPT HMIS

A unique detail screen should be completed for each structure. In the case of clustered apartments, a single complex with multiple addresses may be entered on one detail form. In the case of scattered-site apartments, all scattered-site units within a single FMR area may be entered on one detail form.

**Housing Type:** This is a required field. Select the proposed Housing Type from the dropdown menu. Refer to the Project Application Detailed Instructions for a definition of each Housing Type.

**Indicate the maximum number of units and beds available for project participants at the selected housing site:** This is a required field. Indicate the number of units and beds that will be served by this project.

**How many of the total beds entered in "b. Beds" are dedicated to the chronically homeless:** This is a required field. Enter that total number of beds that are dedicated to the chronically homeless (CH). Dedicated CH beds are required through the project's grant agreement to only be used to house persons experiencing chronic homelessness, as defined at 24 CFR 578.3, unless there are no persons within the CoC that meet that criteria. These PSH beds are also reported as "CH Beds" on a CoC's Housing Inventory Count (HIC). If a project has dedicated beds to serve CH families, all beds serving the household should be included in this number. If none of the beds are dedicated for the chronically homeless, enter "0."

**How many of the total beds entered in "b. Beds" are not currently dedicated for the chronically homeless but will be used to assist the chronically homeless when turnover occurs:** This is a required field. Enter the number beds that are not dedicated to the chronically homeless but that are currently, or will be upon turnover, prioritized for the chronically homeless. This will be incorporated into the projects grant agreement for FY 2014 and represents the minimum number of beds for which the chronically homeless will be prioritized. If none of the beds are prioritized for the chronically homeless, enter "0."

**Address:** This is a required field. Enter the physical address for this proposed project. For Scattered-site housing, programs should enter the address where the majority of beds are located or where most beds are located as of the application submission. For scattered-site apartments or clustered apartments with different addresses, applicants may also choose to enter an administrative address.

**Select the geographic area(s) associated with the address:** This is a required field. Select the geographic location(s) of the selected Housing Type.

Does this project provide client level data to the HMIS at least annually: This is a required field. Select "Yes" or "No" from the drop down menu.

If "No" was selected, indicate the reason for non-participation in the HMIS by selecting one or more of the following reasons for not participating in the CoC's HMIS: Federal law prohibits, State law prohibits, New project not yet operating, and other. If "Federal/State prohibition" cite the applicable law in the text box provided. For "Other" provide an explanation in the text box. "New project not yet operating," is appropriate only for first time renewals that have yet to begin operations.

If "Yes" was selected:

Of the clients served from 1/1/2013 – 12/31/2013, indicate the number reported in the HMIS: Enter a number that is smaller than or equal to the answer in the above question. Only positive integers will be accepted.

Indicate in the grid below the percentage of HMIS client records with 'null or missing values' or 'unknown values.' Please add a value for each cell below. If there are no values to report for a cell, please enter "0." At least one value must be entered into the grid. Enter a number in the applicable fields that represents the percentage of each data element that have null or missing values, and a number that represents the percentage of each data element were reported as "Don't Know or Refused."

## 5B. Project Participants - Subpopulations

**Instructions:**

ALL PROJECTS EXCEPT HMIS

\*This screen can only be completed once Screen "5A. Project Participants – Households" has been completed and saved.

In each non-shaded field enter the number of persons served at maximum program capacity according to their age group, disability status, and the extent in which persons served fit into one or more of the subpopulation categories. The numbers here are intended to reflect a single point in time at maximum capacity and not the number served over the course of a year or grant term. Dark grey cells are not applicable and light grey cells will be totaled automatically.

Complete each of the three charts on this screen according to household types.

Persons in Households with at Least One Adult and One Child chart: Enter only persons in households with at least one adult and one child. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and at least one person under the age of 18.

Persons in Households without Children chart: Enter only persons in adult households without children. To be listed on this chart, a person must be part of a household with at least one person at or above the age of 18, and no persons under the age of 18.

Persons in Households with Only Children chart: Enter only persons in households with only children. To be listed on this chart, a person must be part of a household with no persons at or above the age of 18, and only persons under the age of 18.

Total Persons: All fields in the "Total Persons" rows will calculate automatically when the "Save" button is clicked.

Describe the unlisted subpopulations referred to above: This field is visible and mandatory if a number greater than 0 is entered into the column "Persons not represented by listed subpopulations." Enter text that describes the person(s) identified in this column and explains how they do not fall under the other categories in columns 1 through 9.

Those individuals indicated as not belonging to a specific sub-population cover a vast spectrum; many are family members--including the partners, children, and adult family members--of disabled homeless individuals. Others are adults who, while they do not fall into any of the given sub-populations, are still considered homeless according to HUD's definition, which is confirmed by staff using a homelessness verification process.

## 5C. Outreach for Participants

**Instructions:**

ALL PROJECTS EXCEPT HMIS

Enter the percentage of project participants that will be coming from each of the following locations: This is a required field. Enter the percentage (between 0% and 100%) of participants that will be coming from each of the following locations:

- Directly from the street or other locations not meant for human habitation
- Directly from emergency shelters
- Directly from safe havens
- From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens (persons coming from TH are not considered to be chronically homeless)
- Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (only applicable to TH and SSO projects)
- Homeless persons as defined under other federal statutes (TH and SSO only and HUD approval REQUIRED)
- Persons fleeing domestic violence

Total of above percentages: The percentages entered will automatically sum when all required fields are entered and the "Save" button is clicked. A warning message will appear if the total is greater than 100%.

If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements.

AND/OR

If "Persons at imminent risk..." is greater than 0 percent, identify the project as either an SSO or TH project and verify that persons served will be within 14 days of losing their housing and becoming literally homeless: This field is required if the total percentage calculated above is less than 100 percent or if a number greater than 0 was entered in the "Persons at imminent risk of losing their nighttime residence" field. If both apply, the project applicant must provide a response to both questions in this field.

If the total percentage calculated above is less than 100 percent, explain where the unaccounted for participants will come from. All participants served in CoC Program funded projects must meet eligibility criteria set forth in the CoC Program interim rule and the FY 2013 CoC Program NOFA.

If the field for "Persons at imminent risk of losing their nighttime residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing" contains a percentage greater than 0, the project applicant must indicate how these persons meet the eligibility criteria for the project component being requested (may only be TH or SSO).

**1. Enter the percentage of project participants that will be coming from each of the following locations.**

36%	Directly from the street or other locations not meant for human habitation.
64%	Directly from emergency shelters.
0%	Directly from safe havens.
0%	From transitional housing and previously resided in a place not meant for human habitation or emergency shelters, or safe havens.

36%	Directly from the street or other locations not meant for human habitation.
0%	Persons at imminent risk of losing their night time residence within 14 days, have no subsequent housing identified, and lack the resources to obtain other housing (TH and SSO projects only)
0%	Homeless persons as defined under other federal statutes (TH and SSO only and HUD approval REQUIRED)
0%	Persons fleeing domestic violence.
100%	Total of above percentages

**2. If the total is less than 100 percent, identify how the persons meet HUD's definition of homeless and the project type eligibility requirements**

**AND/OR**

**If "Persons at imminent risk..." is greater than 0 percent, identify the project as either an SSO or TH project and verify that persons served will be within 14 days of losing their housing and becoming literally homeless.**

## 6A. Standard Performance Measures

**Instructions:**

ALL PROJECTS EXCEPT SSO and HMIS

**Housing Measures:** This is a required field. Persons remaining in permanent housing as of the end of the operating year or exiting to permanent housing (subsidized or unsubsidized) during the operating year: If permanent housing, count each participant who is still living in your units supported by your facility in addition to clients who have exited your units and moved into another permanent housing situation. If transitional housing or a safe haven, only count persons who have exited your units/project and moved into a permanent housing situation.

**Income Measure:** This is a required field where at least one option must be chosen by the project applicant.

a. Persons age 18 and older who maintained or increased their total income (from all sources) as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Total income can include all sources, public and private.

b. Persons age 18 through 61 who maintained or increased their earned income as of the end of the operating year or program exit: Not applicable for youth below the age of 18. Earned income should only include income from wages and private investments, and not public benefits.

For each measure, enter a number in the blank cells according to the following instructions:

**Universe (#):** Enter the total number of persons about whom the measure is expected to be reported. The Universe is the total pool of persons that could be affected.

**Target (#):** Enter the number of applicable clients from the universe who are expected to achieve the measure within the operating year. The Target is the total number of persons from the pool that are affected.

**Target (%):** This field will be calculated automatically when all required fields are entered and saved. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be "80%."

Additional Resources can be found at the HUD Resource Exchange:

## 7A. Funding Request

### Instructions:

#### ALL PROJECT APPLICATIONS

The fields that must be completed on this screen will vary based on the project type, program type, and component type selected earlier in the project application.

Do any of the properties in this project have an active restrictive covenant: This is a required field. Select "Yes" or "No" to indicate whether or not one or more of the project properties are subject to an active restrictive covenant.

Was the original project awarded as either a Samaritan Bonus or Permanent Housing Bonus project: This is a required field. Indicate if this project previously received funds under either the Samaritan Housing or Permanent Housing Bonus initiative. If yes, then the project must continue to meet the requirements of the initiative, as specified in the Homeless Assistance Grants NOFA for the year in which funds were originally awarded, in order to continue to receive renewal funding under the CoC Program Competition.

Are the requested renewal funds reduced from the previous award as a result of reallocation?: This is a required field. Select "Yes" or "No" to indicate whether the renewal project is reduced through the reallocation process. The response will be compared to the CoC's Reallocation.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please consult OMB circulars A-122 and A-87 and contact your local HUD office.

Select a grant term: This field is pre-populated with a one-year grant term.

Select the costs for which funding is being requested: This is a required field. All project applications must identify the eligible cost budget for which funding is being requested. The choices available will depend on the component and project type selected at the beginning of this project application. The following eligible costs may be listed: leased units, leased structures, rental assistance, supportive services, operations, and HMIS. Indicate only those activities listed on the CoC's final HUD-approved FY 2014 GIW.

If you do not see the funding budgets that you expected, you may need to return to Screen "3A. Project Detail" to review the "Component Type" and/or "3B. Project Description" to review the type of project selected. See the FY 2014 Funding Notice and the FY 2013 – FY 2014 CoC Program NOFA for additional guidance.

## 7E. Supportive Services Budget

**Instructions:**

Enter the quantity and total budget request for each supportive services cost. The request entered should be equivalent to the cost of one year of the relevant supportive service.

**Eligible Costs:** The system populates a list of eligible supportive services for which funds can be requested. The costs listed are the only costs allowed under 24 CFR 578.53.

**Quantity AND Description:** This is a required field. Enter the quantity in detail (e.g. 1 FTE Case Manager Salary + benefits, or child care for 15 children) for each supportive service activity for which funding is being requested. Please note that simply stating "1FTE" is NOT providing "Quantity AND Detail" and limits HUD's understanding of what is being requested. Failure to enter adequate 'Quantity AND Detail' may result in conditions being placed on an award and a delay of grant funding.

**Annual Assistance Requested:** This is a required field. For each grant year, enter the amount of funds requested for each activity. The amount entered must only be the amount that is DIRECTLY related to providing supportive services to homeless participants. The request should match the budget amounts identified on the CoC's HUD-approved FY 2014 GIW.

**Total Annual Assistance Requested:** This field is automatically calculated based on the sum of the annual assistance requests entered for each activity.

**Grant Term:** This field is populated with the value "1 Year" and will be read only.

**Total Request for Grant Term:** This field is automatically calculated based total amount requested for each eligible cost multiplied by the grant term.

Additional Resources can be found at the HUD Resource Exchange:

## Sources of Match/Leverage Detail

### Instructions:

Match and Leverage are two distinct categories of funds from other sources that will be used in conjunction with this project, if awarded. Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Leverage funds can be used for any program related costs and there is no minimum requirement. Please review 24 CFR Part 578, the FY 2014 Funding Notice and the FY 2013 CoC – FY 2014 Program NOFA for more detailed information concerning Match and Leverage.

Will this commitment be used towards Match or Leverage? Select Match or Leverage to categorize each commitment being entered.

Type of Commitment: Select Cash (\$) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. ## 7I. Summary Budget

**Instructions:**

The system populates a summary budget based on the information entered into each preceding budget form. Review the data and return to the previous forms to correct any inaccurate information. All fields are read only with exception to field "8. Admin (Up to 10%)."

**Admin (Up to 10%):** Enter the amount of requested administration funds. The request should match the amount identified on the CoC's HUD-approved FY 2014 GIW. HUD will not fund greater than 10% of the request listed in the field "Sub-Total Eligible Costs Request." Additionally, HUD will not fund greater than 7% of the request listed in the field "Sub-Total Eligible Costs Requested," if the CoC received bonus points in the FY 2014 CoC Program competition for submitting all CoC projects at or below 7%. If an amount above 10% is entered, the system will report an error and prevent application submission when the screen is saved.

**Total Assistance plus Admin Requested:** This field is automatically populated based on the amount of funds requested on the various budgets completed by the project applicant and Admin costs requested. This is this is the total amount of funding the project applicant will request in the FY 2014 CoC Program Competition.

**Cash Match:** This field is automatically populated. If it needs to be changed, return to Screen "7I. Sources of Match/Leverage" to make changes to this field.

**In-Kind Match:** This field is automatically populated. If it needs to be changed, return to Screen "7I. Sources of Match/Leverage" to make changes to this field.

**Total Match:** This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "7I. Sources of Match/Leverage" to make changes..

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.

Gentlemen:

On the basis of your stated purposes and the understanding that your operations will continue as evidenced to date or will conform to those proposed in your ruling application, we have concluded that you are exempt from Federal income tax as an organization described in section 501(c)(3) of the Internal Revenue Code. Any changes in operation from those described, or in your character or purposes, must be reported immediately to your District Director for consideration of their effect upon your exempt status. You must also report any change in your name or address.

You are not required to file Federal income tax returns so long as you retain an exempt status, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code, in which event you are required to file Form 990-T. Our determination as to your liability for filing the annual information return, Form 990-A, is set forth above. That return, if required, must be filed on or before the 15th day of the fifth month after the close of your annual accounting period indicated above.

Contributions made to you are deductible by donors as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to or for your use are deductible for Federal estate and gift tax purposes under the provisions of section 2055, 2106 and 2522 of the Code.

You are not liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes) unless you file a waiver of exemption certificate as provided in such act. You are not liable for the tax imposed under the Federal Unemployment Tax Act. Inquiries about the waiver of exemption certificate for social security taxes should be addressed to this office, as should any questions concerning excise, employment or other Federal taxes.

This is a determination letter.

Very truly yours,

F. S. Schmidt  
District Director

You are cautioned that upon dissolution your remaining assets must be distributed to an organization described in section 501(c)(3) of the Code and exempt from Federal income tax.
