### ADDENDUM #3

<p><b>Section I. Description of Work</b>  <b>F. Program Component: Rapid Re-Housing (RRH) Objective</b></p>	<p><b>Please note transition age youth experiencing homelessness has been added to the program component for Rapid Re-Housing (RRH).</b></p>
<p><b>Objective:</b> To move families <b>and transition age youth (TAY)</b> experiencing homelessness as quickly as possible into Permanent Housing (PH) and achieve stability in that housing.</p> <p>Under the RRH program component of this RFP, a Proposer may request funding to provide time limited, tenant-based rental assistance to families <b>and TAY</b> who are defined by HUD as literally homeless because they are coming from a place not meant for human habitation or an emergency shelter <i>and</i> who are prioritized for housing by the Families Solutions Center (FSC) <b>for families and the upcoming coordinated assessment system for homeless youth</b> in the Proposer’s SPA. RRH follows a Housing First approach to help homeless families <b>and/or TAY</b> re-house into community-based units that they will retain after exiting the program. Households housed under this program type have the full legal rights and responsibilities of a tenant-landlord relationship and monthly case management is a requirement of program participation.</p>	
<p><b>Section I. Description of Work</b>  <b>F. Program Component: Rapid Re-Housing (RRH) Core Elements of the RRH Program Component</b></p>	<p><b>Please note transition age youth experiencing homelessness has been added to the program component for Rapid Re-Housing (RRH).</b></p>
<p><b>Core Elements of the RRH Program Component:</b></p> <ol style="list-style-type: none"> <li>1. The families/<b>TAY</b> assisted come from the streets or shelter and would remain homeless but for this assistance. Families/<b>TAY</b> coming from transitional housing programs are not eligible.</li> <li>2. The household being served is helped directly into a community-based unit the family/<b>TAY</b> will retain after the program ends.</li> </ol>

4. Service plans for program participants are individualized based on their needs, circumstances and market conditions, and focus on helping families/**TAY** find and keep permanent housing.
